

Businesses We Think May do Well in Bessemer

Our Downtown Development Authority and Branding Committee have both sat down and brainstormed which businesses may do well in our community. Obviously, we can't guarantee success, but we thought people looking at owning their own business may find our thoughts helpful. We recommend entrepreneurs do their own research and market study prior to opening a business. This is by no means an end all, be all type list.

- Property Management Company that specializes in AirBnB's and VRBO's. Particularly if they offer housekeeping in between tenants
