

PASER STUDY RFP

The City of Bessemer is requesting proposals for the execution of a Pavement Surface Evaluation and Rating Study (PASER) with a focus on preventative maintenance.

TIMELINE: The City of Bessemer is requesting the proposals by Thursday, September 16th, 2021 at 11:00 CT. Proposals can be delivered to City of Bessemer, Attn: Charly Loper PASER STUDY, 411 S Sophie, Bessemer, MI 49911 or via email at charly.loper@bessemermi.org subject line: PASER STUDY

EXECUTION: The City of Bessemer is requesting the Pavement Surface Evaluation and PASER Study be completed and deliverables be given to the City by Friday, December 10th, 2021.

DELIVERABLES: The City of Bessemer is looking for a completed PASER Study of all the city-owned paved streets in the City of Bessemer. Do note that many of the streets will be torn up and completely redone as part of a current three-year project. These streets can have an asterisk with a note stating they will be at a 10 once the project is completed. Also, all paved roads in the City of Bessemer are asphalt with the exception of two intersections off US-2 and one road is a chip seal.

The City is requesting the deliverable include the following:

- A map indicating the results of the PASER study with a rating for each section of road
- A graph indicating percentages and mileages of good, fair, and poor roads.
- A map indicating the type of repairs recommended for each section of road. This may include types of preventative maintenance, road rehabilitation, and road reconstruction.
- A description of what the recommended repairs entails
- Cost estimates for repairs with an emphasis on preventative maintenance, broken out by the sections of roads.
- Data entered onto Roadsoft
- An analysis of remaining service life at various annual funding levels.

OPTIONAL: The City is potentially interested in integrating the PASER study into our ARC GIS System. Please indicate any additional costs for doing so in the response

GRAVEL ROADS: Roads to be excluded from study include the following
