Section 5. Issuance of Series 2023 Bond; Details. The Series 2023 Bond of the Issuer, to be designated “WATER SUPPLY SYSTEM JUNIOR LIEN REVENUE BOND, SERIES 2023” (with such additional or alternate series designations as may be deemed appropriate by an Authorized Officer) (the “Series 2023 Bond”), is authorized to be issued in the aggregate principal sum of not to exceed One Million Two Hundred Thousand Dollars (\$1,200,000), or such lesser amount as finally determined by order of the EGLE, for the purpose of paying the cost of the Project and the incidental costs set forth in Section 4 of this Ordinance. The Series 2023 Bond shall be Junior Lien Bonds, payable primarily out of the Net Revenues, as set forth more fully in Section 8 hereof, provided that the Series 2023 Bond shall be junior and subordinate to the statutory first lien created by the Master Ordinance to secure the Outstanding Senior Lien Bond and any Additional Senior Lien Bonds hereafter issued. The Series 2023 Bond shall be sold to the Authority upon the terms and conditions as hereinafter provided.

The Series 2023 Bond shall be in the form of a single, fully-registered, nonconvertible bond of the denomination of the full principal amount thereof, dated as of the date of delivery of the Series 2023 Bond, payable in principal installments as finally determined by the order of the EGLE at the time of sale of the Series 2023 Bond and approved by the Authority and any one Authorized Officer. Final determination of the principal amount of the Series 2023 Bond, the payment dates and amounts of principal installments of the Series 2023 Bond and the dates for payment of interest on the Series 2023 Bond shall be evidenced by execution of the Purchase Contract, and each Authorized Officer is hereby individually authorized and directed to execute and deliver the Purchase Contract when it is in final form and to make the determinations set forth above; provided, however, that the aggregate principal amount of the Series 2023 Bond shall not exceed \$1,600,000, the first principal installment of the Series 2023 Bond shall be due not earlier than April 1, 2024, and the final principal installment of the Series 2023 Bond shall be due not later than October 1, 2047.

The Series 2023 Bond shall bear interest at an interest rate per annum on the par value thereof as determined by the Authority and evidenced by execution of the Purchase Contract, but in any event not to exceed three percent (3.00%) per annum.

The principal amount of the Series 2023 Bond is expected to be drawn down by the Issuer periodically, and interest on the principal amount shall accrue from the date such principal amount is drawn down by the Issuer.

The Series 2023 Bond shall not be convertible or exchangeable into more than one fully-registered bond. Principal of and interest on the Series 2023 Bond shall be payable as provided in the form of the Series 2023 Bond set forth in Section 13 of this Ordinance.

The Series 2023 Bond or principal installments thereof shall be subject to redemption prior to maturity at the option of the Issuer only with the prior written consent of the Authority and on such terms as may be required by the Authority.

An Authorized Officer shall record on the registration books payment by the Issuer of each installment of principal or interest or both when made and the cancelled checks or other records evidencing such payments shall be returned to and retained by an Authorized Officer.

Upon payment by the Issuer of all outstanding principal of and interest on the Series 2023 Bond, the Authority shall deliver the Series 2023 Bond to the Issuer for cancellation.

Section 6. Execution of Series 2023 Bond. The Series 2023 Bond shall be executed in the name of the Issuer with the manual or facsimile signatures of the Mayor and countersigned by the Clerk of the Issuer and shall have the seal of the Issuer, or a facsimile thereof, printed or impressed thereon. The Series 2023 Bond bearing the manual or facsimile signatures of the Mayor and the Clerk of the Issuer shall require no further authentication.

Section 7. Registration and Transfer. The Series 2023 Bond may be transferred upon the books required to be kept pursuant to this section by the person in whose name it is registered, in person or by the registered owner's duly authorized attorney, upon surrender of the Series 2023 Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the transfer agent. Whenever the Series 2023 Bond shall be surrendered for transfer, the Issuer shall execute and the transfer agent shall authenticate and deliver a new Series 2023 Bond, for like aggregate principal amount. The transfer agent shall require payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The transfer agent shall not be required (i) to issue, register the transfer of or exchange the Series 2023 Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of the Series 2023 Bond and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange the Series 2023 Bond so called for redemption in whole or in part, except the unredeemed portion of the Series 2023 Bond being redeemed in part. The Issuer shall give the transfer agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

The transfer agent shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Series 2023 Bond, which shall at all times be open to inspection by the Issuer; and, upon presentation for such purpose, the transfer agent shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, the Series 2023 Bond as hereinbefore provided.

If the Series 2023 Bond shall become mutilated, the Issuer, at the expense of the holder of the Series 2023 Bond, shall execute, and the transfer agent shall authenticate and deliver, a new Series 2023 Bond of like tenor in exchange and substitution for the mutilated Series 2023 Bond, upon surrender to the transfer agent of the mutilated Series 2023 Bond. If the Series 2023 Bond issued under this Ordinance shall be lost, destroyed or stolen, evidence of the loss, destruction or theft may be submitted to the transfer agent and, if this evidence is satisfactory to both and indemnity satisfactory to the Issuer and the transfer agent shall be given, and if all requirements of any applicable law, including Act 354, Public Acts of Michigan, 1972, as amended ("Act 354"), being sections 129.131 to 129.135, inclusive, of the Michigan Compiled Laws have been met, the Issuer, at the expense of the owner, shall execute, and the transfer agent shall thereupon authenticate and deliver, a new Series 2023 Bond of like tenor and bearing the statement required by Act 354, or any applicable law hereafter enacted, in lieu of and in substitution for the Series

2023 Bond so lost, destroyed or stolen. If the Series 2023 Bond shall have matured or shall be about to mature, instead of issuing a substitute Series 2023 Bond, the transfer agent may pay the same without surrender thereof.

The Treasurer of the Issuer is hereby appointed to act as transfer agent for the Series 2023 Bond; provided, however, that the Treasurer may designate in writing another person to act as transfer agent. If and at such time as the Series 2023 Bond is transferred to or held by any registered owner other than the Authority, the Issuer may by resolution appoint a bank or trust company qualified under Michigan law to act as transfer agent and bond registrar.

Section 8. Payment of Series 2023 Bond; Security; Priority of Lien. Principal of and interest on the Series 2023 Bond shall be payable primarily from the Net Revenues, and to secure such payment, there is hereby recognized the statutory lien upon the whole of the Net Revenues created by the Master Ordinance, which shall be a second lien, subject only to the statutory first lien created by the Master Ordinance to secure the Outstanding Senior Lien Bond and any Additional Senior Lien Bonds hereafter issued, to continue until payment in full of all principal of and interest on the outstanding Series 2023 Bond, or, until sufficient cash or Sufficient Government Obligations have been deposited in trust for payment in full of all principal of and interest on the Series 2023 Bond then outstanding to maturity, or, if called for redemption, to the date fixed for redemption, together with the amount of the redemption premium, if any, due and payable in connection with such redemption. Upon deposit of cash or Sufficient Government Obligations for payment in full of all principal and interest on the Series 2023 Bond then outstanding, as provided in the preceding sentence, the statutory lien shall be terminated with respect to the Series 2023 Bond, the holder of the Series 2023 Bond shall have no further rights under this Ordinance or the Master Ordinance, except for payment from the deposited funds, and the Series 2023 Bond shall no longer be considered to be outstanding under this Ordinance or the Master Ordinance. The statutory second lien on the Net Revenues referred to herein shall at all times be and remain junior and subordinate to the statutory first lien created by the Master Ordinance to secure the Outstanding Senior Lien Bond and any Additional Senior Lien Bonds hereafter issued. The statutory second lien on the Net Revenues referred to herein shall be of equal standing and priority with the statutory second lien created by the Master Ordinance to secure the Outstanding Junior Lien Bond and any Additional Junior Lien Bonds hereafter issued.

The Series 2023 Bond shall not be additionally secured by the Junior Lien Bond Reserve Account established by the Master Ordinance and, notwithstanding anything in the Master Ordinance to the contrary, in no event shall moneys in the Junior Lien Bond Reserve Account be used to pay principal of or interest on the Series 2023 Bond, and no holder of the Series 2023 Bond shall have any claim on any amounts at any time on deposit in the Junior Lien Bond Reserve Account.

To the extent necessary to meet the requirements of the Drinking Water State Revolving Fund financing program being administered by the EGLE and the Authority, as additional security for the payment of the principal of and interest on the Series 2023 Bond, the Issuer hereby pledges the taxes collected by the State of Michigan and returned to the Issuer pursuant to Act 140, Public Acts of Michigan, 1971, as amended, to the Authority as purchaser and holder of the Series 2023 Bond, and each Authorized Officer is individually authorized to approve, execute and deliver, for

and on behalf of the Issuer, a Revenue Sharing Pledge Agreement between the Issuer and the Authority (the “Revenue Sharing Pledge Agreement”) authorizing the State Treasurer to transmit the revenue sharing moneys assigned and pledged therein directly to the Authority or its designee if payments on the Series 2023 Bond are not made in accordance with the terms of this Ordinance and the Series 2013 Bond. The Issuer shall be reimbursed for any such advance from the Net Revenues of the System subsequently received which are not otherwise pledged or encumbered by the Master Ordinance.

Section 9. Management; Fiscal Year. The operation, repair and management of the System and the acquiring of the Project shall continue to be under the supervision and control of the Issuer. The Issuer may employ such person or persons in such capacity or capacities as it deems advisable to carry on the efficient management and operation of the System. The Issuer may make such rules and regulations as it deems advisable and necessary to assure the efficient management and operation of the System. The System shall be operated on the basis of an operating year which shall coincide with the Issuer’s Fiscal Year.

Section 10. Rates and Charges; No Free Service. The rates and charges for service furnished by the System and the methods of collection and enforcement of the collection of the rates shall be those in effect on the date of adoption of this Ordinance, as the same may be amended from time to time by the Issuer. No free service or use of the System, or service or use of the System at less than cost, shall be furnished by the System to any person, firm, or corporation, public or private, or to any public agency or instrumentality, including the Issuer.

Section 11. Funds and Accounts; Flow of Funds. The funds and accounts and the flow of funds established by the Master Ordinance are hereby continued, and the applicable sections of the Master Ordinance setting forth the funds and accounts and flow of funds for Revenues of the System are incorporated herein by reference in this Ordinance as if fully set forth herein.

Section 12. Series 2023 Bond Proceeds. The proceeds of the sale of the Series 2023 Bond as received by the Issuer shall be deposited in a separate account in a bank qualified to act as depository of the proceeds of sale under the provisions of Section 15 of Act 94, in an account designated 2023 WATER PROJECT CONSTRUCTION ACCOUNT (the “Construction Account”). Moneys in the Construction Account shall be applied solely in payment of the costs of the Project and any engineering, legal and other expenses incident thereto and to the financing thereof.

Section 13. Bond Form. The Series 2023 Bond shall be in substantially the following form, with such changes or completions as are necessary or appropriate to give effect to the intent of this Ordinance and as may be required by the Authority:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF GOGEBIC

CITY OF BESSEMER

WATER SUPPLY SYSTEM JUNIOR LIEN REVENUE BOND, SERIES 2023

REGISTERED OWNER: Michigan Finance Authority

PRINCIPAL AMOUNT: _____ Dollars (\$_____)

DATE OF ORIGINAL ISSUE: _____, 2023

The City of Bessemer, County of Gogebic, State of Michigan (the "Issuer"), acknowledges itself to owe and for value received hereby promises to pay, primarily out of the hereinafter described Net Revenues of the System (hereinafter defined), to the Michigan Finance Authority (the "Authority"), or registered assigns, the Principal Amount shown above, or such portion thereof as shall have been advanced to the Issuer pursuant to a Purchase Contract between the Issuer and the Authority and a Supplemental Agreement by and among the Issuer, the Authority and the State of Michigan acting through the Department of Environment, Great Lakes, and Energy, in lawful money of the United States of America, unless prepaid or reduced prior thereto as hereinafter provided.

During the time funds are being drawn down by the Issuer under this Bond, the Authority will periodically provide to the Issuer a statement showing the amount of principal that has been advanced and the date of each advance, which statement shall constitute prima facie evidence of the reported information; provided that no failure on the part of the Authority to provide such a statement or to reflect a disbursement or the correct amount of a disbursement shall relieve the Issuer of its obligation to repay the outstanding Principal Amount actually advanced (subject to any principal forgiveness as provided for in Schedule A attached hereto and made a part hereof), all accrued interest thereon, and any other amount payable with respect thereto in accordance with the terms of this Bond.

The Principal Amount shall be payable on the dates and in the annual principal installment amounts set forth on the Schedule A attached hereto and made a part hereof, as such Schedule may be adjusted if less than \$_____ is disbursed to the Issuer or if a portion of the Principal Amount is prepaid as provided below, with interest on said principal installments from the date each said installment is delivered to the holder hereof until paid at the rate of _____ percent (____%) per annum. Interest is first payable on _____ 1, 20__, and semiannually thereafter, and principal is payable on the first day of _____ commencing _____ 1, 20__ (as identified in the Purchase Contract) and annually thereafter.

Principal installments of this Bond are subject to redemption prior to maturity at the option of the Issuer only with the prior written consent of the Authority and on such terms as may be required by the Authority.

Notwithstanding any other provision of this Bond, so long as the Authority is the owner of this Bond, (a) this Bond is payable as to principal, premium, if any, and interest at the designated office of U.S. Bank Trust Company, National Association, or at such other place as shall be designated in writing to the Issuer by the Authority (the "Authority's Depository"); (b) the Issuer agrees that it will deposit with the Authority's Depository payments of the principal of, premium, if any, and interest on this Bond in immediately available funds by 12:00 noon at least five business days prior to the date on which any such

payment is due whether by maturity, redemption or otherwise; in the event that the Authority's Depository has not received the Issuer's deposit by 12:00 noon on the scheduled day, the Issuer shall immediately pay to the Authority as invoiced by the Authority an amount to recover the Authority's administrative costs and lost investment earnings attributable to that late payment; and (c) written notice of any redemption of this Bond shall be given by the Issuer and received by the Authority's Depository at least 40 days prior to the date on which such redemption is to be made.

Additional Interest

In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the Authority's cost of providing funds (as determined by the Authority) to make payment on the bonds of the Authority issued to provide funds to purchase this Bond but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the Authority has been fully reimbursed for all costs incurred by the Authority (as determined by the Authority) as a consequence of the Issuer's default. Such additional interest shall be payable on the interest payment date following demand of the Authority. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the Authority) the investment of amounts in the reserve account established by the Authority for the bonds of the Authority issued to provide funds to purchase this Bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the Authority issued to fund such account, the Issuer shall and hereby agrees to pay on demand only the Issuer's pro rata share (as determined by the Authority) of such deficiency as additional interest on this Bond.

For prompt payment of principal and interest on this Bond, the Issuer has irrevocably pledged the revenues of the water supply system of the Issuer, including all appurtenances, additions, extensions and improvements thereto (the "System"), after provision has been made for reasonable and necessary expenses of operation, administration and maintenance thereof (the "Net Revenues"), and a statutory second lien thereon is hereby recognized and created, subject to the statutory first lien on the Net Revenues created to secure the Issuer's outstanding Water Supply System Revenue Bond, Series 2021, dated June 7, 2021 (the "Outstanding Senior Lien Bond"), and any Additional Senior Lien Bonds hereafter issued in accordance with the Ordinances (as hereinafter defined). This Bond is of equal standing and priority of lien as to the Net Revenues with the Issuer's outstanding Water Supply System Junior Lien Revenue Bond, Series 2021 (Taxable), dated April 28, 2021 (the "Outstanding Junior Lien Bond").

This Issuer has reserved the right to issue Additional Senior Lien Bonds, which shall be secured a statutory first lien on the Net Revenues of equal standing and priority of lien as to the Net Revenues with the Outstanding Senior Lien Bond, and which shall be superior and senior in all respects to the statutory second lien on the Net Revenues securing this Bond and the Outstanding Junior Lien Bond, and to issue Additional Junior Lien Bonds, which shall be of equal standing and priority of lien as to the Net Revenues with this Bond and the Outstanding Junior Lien Bond, all on conditions stated in the Ordinances.

This Bond is a single, fully-registered, non-convertible bond in the principal sum indicated above, issued pursuant to Ordinance No. 375 of the Issuer adopted on April 14, 2021 and Ordinance No. [____] of the Issuer adopted on July 24, 2023 (collectively, the "Ordinances"), and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying the cost of acquiring and constructing improvements to the System.

For a complete statement of the revenues from which and the conditions under which this Bond is payable, a statement of the conditions under which additional bonds of superior and senior standing or of equal standing as to the Net Revenues may hereafter be issued, and the general covenants and provisions pursuant to which this Bond is issued, reference is made to the Ordinances.

This Bond is a self-liquidating bond and is not a general obligation of the Issuer and does not constitute an indebtedness of the Issuer within any constitutional, statutory or charter debt limitation, but is payable, both as to principal and interest, primarily from the Net Revenues of the System. The principal of and interest on this Bond are secured by the statutory second lien hereinbefore mentioned. As additional security for the payment of the principal of and interest on this Bond, the Issuer has pledged certain taxes collected by the State of Michigan and returned to the Issuer pursuant to a revenue sharing pledge agreement as further described in the Ordinances.

The Issuer has covenanted and agreed, and does hereby covenant and agree, to fix and maintain at all times while any bonds payable from the Net Revenues of the System shall be outstanding, such rates for service furnished by the System as shall be sufficient to provide for payment of the interest upon and the principal of the Outstanding Senior Lien Bond and any Additional Senior Lien Bonds hereafter issued, as and when the same shall become due and payable, and to maintain a Senior Lien Bond and Interest Redemption Account therefor, to provide for the payment of the interest upon and the principal of this Bond, the Outstanding Junior Lien Bond and any Additional Junior Lien Bonds hereafter issued, as and when the same shall become due, and to maintain a Junior Lien Bond and Interest Redemption Account therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for the System as are required by the Ordinances.

This Bond is transferable only upon the books of the Issuer by the registered owner in person or the registered owner's attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the transfer agent, duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new registered bond in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the Ordinances, and upon payment of the charges, if any, therein prescribed.

Capitalized terms used in this Bond and not defined herein have the meanings set forth in the Ordinances.

It is hereby certified and recited that all acts, conditions and things required by law to be done precedent to and in the issuance of this Bond have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the City of Bessemer, County of Gogebic, State of Michigan, by its City Council, has caused this Bond to be signed in its name by its Mayor and to be countersigned by its City Clerk, and its corporate seal or a facsimile thereof to be printed or impressed hereon, all as of the Date of Original Issue.

In the event the Order of Approval issued by the Department of Environment, Great Lakes, and Energy (the "Order") approves a principal amount of assistance less than the amount of the Bond delivered to the Authority, the Authority shall only disburse principal up to the amount stated in the Order. In the event (1) that the payment schedule approved by the Issuer and described below provides for payment of a total principal amount greater than the amount of assistance approved by the Order or (2) that less than the principal amount of assistance approved by the Order is disbursed to the Issuer by the Authority or (3) that any portion of the principal amount of assistance approved by the Order and disbursed to the Issuer is forgiven pursuant to the Order, the Authority shall prepare a new payment schedule which shall be effective upon receipt by the Issuer.

Interest on the Bond shall accrue on that portion of principal disbursed by the Authority to the Issuer and which has not been forgiven pursuant to the Order from the date such portion is disbursed, until paid, at the rate of ____% per annum, payable _____ 1, 202_, and semi-annually thereafter.

The Issuer agrees that it will deposit with the Authority's Depository, or at such other place as shall be designated in writing to the Issuer by the Authority, payments of the principal of, premium, if any, and interest on this Bond in immediately available funds by 12:00 noon at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise. In the event that the Authority's Depository has not received the Issuer's deposit by 12:00 noon on the scheduled day, the Issuer shall immediately pay to the Authority as invoiced by the Authority an amount to recover the Authority's administrative costs and lost investment earnings attributable to that late payment.

*Not to exceed amount. Loan reduction at close out will result in a proportional decrease.

Section 14. Negotiated Sale; Application to EGLE and Authority; Execution of Documents. The City Council has considered the option of selling the Series 2023 Bond through a competitive sale and a negotiated sale and determines that it is in the best interest of the Issuer to negotiate the sale of the Series 2023 Bond to the Authority because the Drinking Water State Revolving Fund financing program provides significant interest cost savings to the Issuer compared to a competitive sale in the municipal bond market. Each Authorized Officer is hereby authorized to make application to the Authority and to the EGLE for placement of the Series 2023 Bond with the Authority. The actions taken by any Authorized Officer with respect to the Series 2023 Bond prior to the adoption of this Ordinance are hereby ratified and confirmed. Each Authorized Officer is hereby individually authorized to execute and deliver such contracts, documents and certificates as may be required by the Authority or the EGLE or as may be otherwise necessary to effectuate the sale and delivery of the Series 2023 Bond to the Authority, including the Purchase Contract, the Supplemental Agreement, the Revenue Sharing Pledge Agreement and an Issuer's Certificate as required by the Authority.

Section 15. Covenant Regarding Tax-Exempt Status of the Series 2023 Bond. The Issuer shall, to the extent permitted by law, take all actions within its control necessary to maintain the exclusion of the interest on the Series 2023 Bond from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended, including, but not limited to, actions relating to any required rebate of arbitrage earnings and the expenditure and investment of Series 2023 Bond proceeds and moneys deemed to be Series 2023 Bond proceeds.

Section 16. Approval of Bond Details. Each Authorized Officer is hereby authorized to adjust the final details of the Series 2023 Bond set forth herein to the extent necessary or convenient to complete the transaction authorized herein, and in pursuance of the foregoing is authorized to exercise the authority and make the determinations authorized pursuant to Section 7a(1)(c) of Act 94, including but not limited to, determinations regarding interest rates, prices, discounts, maturities, principal amounts, denominations, dates of issuance, interest payment dates, redemption rights, the place of delivery and payment, and other matters necessary to effectuate the issuance and sale to the Authority of the Series 2023 Bond authorized hereby, all within the parameters established by this Ordinance.

Section 17. Authorization of Other Actions. Each Authorized Officer is individually authorized to execute and deliver all other agreements, documents and certificates and to take all other actions necessary or advisable in order to effectuate the sale and delivery of the Series 2023 Bond to the Authority as contemplated by this Ordinance.

Section 18. Approval of Bond Counsel. The representation of the Issuer by Miller, Canfield, Paddock and Stone, P.L.C. ("Miller Canfield") as bond counsel in connection with the issuance of the Series 2023 Bond is hereby approved, notwithstanding the representation by Miller Canfield of the Authority in connection with its financing programs and borrowings.

Section 19. Repeal; Savings Clause. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, repealed.

Section 20. Severability; Paragraph Headings; and Conflict. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance. The paragraph headings in this Ordinance are furnished for convenience of reference only and shall not be considered to be part of this Ordinance.

Section 21. Publication and Recordation. This Ordinance shall be published in full in a newspaper of general circulation in the Issuer qualified under State law to publish legal notices, promptly after its adoption, and shall be recorded in the Ordinance Book of the Issuer and such recording authenticated by the signatures of the Mayor and City Clerk.
