

- 1) The City Building Inspector shall coordinate all building permit issuance and inspections with the City Zoning Administrator.
- 2) No building permit shall be issued without first a determination by the Zoning Administrator that the use is permitted in the District in which the property is located and that the dimensional standards of the Ordinance are met.

E) Zoning Board of Appeals

- (ii) The Chair of the Planning Commission or designee shall serve as an alternate member of the Zoning Board of Appeals. The alternate member may take part in all deliberations of the Board, but shall not have a vote unless a regular member is unable to vote because of absence or a conflict of interest.

The alternate member appointed shall serve in the case until a final decision is made. An alternate member serving on the Board of Appeals has the same voting rights as a regular member.
- (c) **Attendance:** Since regular attendance is required for optimal function of the Board of Appeals, members of the Board are appointed subject to the following attendance criteria:

A member of the Board of Appeals shall abstain from a vote in which the member has a conflict of interest, and the member shall state the nature of the conflict of interest prior to participating in a hearing on the matter.
 - (ii) The concurring vote of a majority of all the members of the Board of Appeals shall be necessary to reverse an order, requirement, decision or determination of the administrative official or body, or to decide in favor of the applicant on a matter upon which they are required to pass under the Zoning Ordinance, or to grant a variance in the Zoning Ordinance.

- (h) **Keeping of Records:**
- (i) Minutes of all meetings shall be recorded and shall contain the grounds of every determination made by the Board of Appeals including all evidence and data considered, all findings of fact and conclusions drawn by the Board for every case together with the votes of the members and final disposition of each case. Such minutes shall be filed in the Office of the Zoning Administrator, and shall be available to the public. The written record of proceedings shall be contained in a file with the following information:
 1. The application (for a permit, variance, interpretation, exception).
 2. Any reports, plans, surveys, or photos.
 3. Notice of Public Hearing to affected parties in newspaper.

4. Letter from Zoning Administrator granting or denying the application or referring it to the Board of Appeals and all other relevant records related to the case.
5. Affidavit of publication of Notice of Hearing.
6. Record of testimony heard and evidence presented.
7. A copy of the zoning Article(s) and Section(s) in question.
8. Briefs, correspondence or other communications made to or from the Board of Appeals, including any from the City Attorney or other attorneys.
9. Statement of facts found by Board of its knowledge regarding the request including any information gained from personal inspection.
10. Decision of the Board as specifically related to the Findings of Fact. Said findings of fact shall include, but are not limited to the following information:
 - a. How the application of this Ordinance creates unnecessary hardship or practical difficulty in the use of petitioner's property.
 - b. Identify the unique physical circumstances or conditions or exceptional topography that create practical difficulties.
 - c. Specific findings (characteristics of the land) showing that because of physical circumstances or conditions there is no possibility that the property can be developed in strict conformity with the provisions of this *Ordinance*. That the authorization of a variance is, therefore, necessary to enable the reasonable use of the property and that the condition is specific to this property and not general to other properties in the area.
 - d. Finding that the practical difficulty was not created by the appellant and is related only to property that is owned or occupied by the appellant.
 - e. A statement of the impacts of the variance if authorized, the property values, use and enjoyment of the property in the neighborhood or district, and on the public, health, safety and welfare.
 - f. The proposed variance does not permit the establishment of any use which is not permitted by right within the district or any use or dimensional variance for which a Special Land Use Permit is necessary.
 - g. Findings on whether the proposed development complies with the requirements, standards or procedures given in the *Zoning Ordinance* or an interpretation of the disputed *Ordinance* provisions, if applicable.
 - h. Findings on any error in judgment or procedure in the administration of the relevant zoning provisions.
 - i. The possible precedents or affects which might result from the approval or denial of the appeal.
 - j. Findings on the impact if the appeal is approved, on the ability of the City or other governmental agency to provide adequate public services and facilities and/or programs that might reasonably require in the future if the appeal is approved.

11. A copy of any other correspondence to the appellant regarding the request.

(ii) At its discretion, the Board of Appeals may file its decision relative to a particular property with the Register of Deeds to run as a permanent record with the property which was the subject of the decision by the Board of Appeals.

(i) Removal from Office and Conflict of Interest

(i) Members of the Board of Appeals shall be removable by the City Council for nonfeasance, including nonperformance of duty, or misfeasance, including misconduct in office, or for malfeasance upon written charges and after public hearing.

(ii) A member shall disqualify himself or herself from a vote in which the member has a conflict of interest. Failure to do so shall constitute malfeasance in office. A conflict of interest may include, but is not limited to considering property or adjoining property a Board of Appeals member owns or has a legal or financial interest in, or considering a request by a party with whom a Board member has close ties, such a family member, relative or close friend.

3) Scope of Powers

The Board of Appeals may reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination as in its opinion ought to be made, and to that end, shall have all the powers of the office or body from whom the appeal was taken, but no more. The Board of Appeals may issue or direct the issuance of a permit if, following a review of the facts, the relevant Ordinance requirements, and the prior decision of the Zoning Administrator or Planning Commission, the Board of Appeals concludes the Ordinance requirements were not properly applied. The Board of Appeals shall have the power to make final determinations, within its jurisdiction and duties herein prescribed, in such a way that the objectives of this Ordinance may be equitably achieved in order that there shall be uniform interpretation and flexibility in the enforcement of this Ordinance or to fulfill any other responsibilities bestowed upon the Board of Appeals by this Ordinance. At the same time, the Board of Appeals shall be aware that this responsibility does not extend to creating regulations, only to applying regulations, which is a narrow quasi-judicial responsibility, and not a legislative one. The power to adopt land use regulations rests solely with the City Council. For example, the Board of Appeals shall not have the power to alter or change the zoning district classification of any property or to authorize any use of land not expressly permitted in the district, nor to make any change in the terms or intent of this Ordinance; these powers are reserved to the City Council.

4) Provisions Pertaining to Duties

- (e) Hear and decide appeals from and review any administrative order, requirement, decision, or determination made by the Zoning Administrator or Planning Commission in enforcing this Ordinance.
- (f) Interpret, upon request, the provisions of this Ordinance in such a way as to carry out the intent and purpose of this Ordinance.

The Board of Appeals may also impose setbacks, specify the location or character of fences, buffering or landscaping requirements as a condition of approval pursuant to standards in this Ordinance as may be reasonably necessary to protect abutting property from the potential nuisance effects of such essential services.
- (j) The Board of Appeals may retain legal counsel for any purpose deemed necessary provided that such appointment or retainer shall be approved in advance by the City Council.

F) Secretary

There shall be a Secretary on the Planning Commission and Zoning Board of Appeals for the purposes of preparing a public record of minutes, resolutions, transactions, findings and determinations. The Secretary may perform other duties related to the conduct of the Planning Commission or Board of Appeals business as may be required from time to time by the officers of the Planning Commission or Board of Appeals, provided the Secretary of the respective Commission and Board is solely responsible for the accuracy of such duties, and all documents prepared by the recording secretary shall be signed by the official secretary of the Planning Commission or official secretary of the Board of Appeals. The Secretary shall be a member of the Planning Commission or Zoning Board of Appeals unless the City Council authorizes funds to hire a recording secretary, if the task is not delegated to a City employee. The City Clerk shall maintain one official copy of a current Zoning Ordinance and Zoning District Map.
